

BEATTIE
PADOVANO LLC

CORPORATE, COMMERCIAL AND BANKING LAW

This practice group concentrates in the areas of corporate law (including mergers and acquisitions, corporate restructuring, financing and general company counseling), banking law (complex real estate and asset based financing transactions, development of standard loan and transaction documentation and regulatory compliance) and complex commercial contracts (including technology development, licensing and outsourcing contracts and complex contracts governed by the Uniform Commercial Code). This practice area of the Firm addresses the needs of national and multi-national companies, regional and national financial institutions and technology and service companies in a broad range of legally complex matters and significant high value transactions.
