

BEATTIE
PADOVANO LLC

Community Involvement

In addition to pro bono work, Beattie Padovano's attorneys volunteer in many organizations throughout the communities in which they live and work. Some of their volunteer efforts include organizing fundraising events; purchasing toys; building homes; working at carnivals; coaching; and mentoring. In addition to supporting charities, they donate their time and efforts to support educational opportunities, local, regional and statewide business networks and medical facilities. They volunteer for committees and are members on Boards of Trustees for various professional, civic and not-for-profit organizations.
