

Practice Areas

Commercial Real Estate

The commercial real estate group at Beattie Padovano, LLC is involved in every facet of commercial real estate transactions.

Community Association Law

This group assists with the legal challenges in the construction, creation and management of residential communities.

Construction Services

The construction services practice group represents clients in every phase of the design and construction of buildings and structures of every type, and in disputes and claims relating to construction projects.

Corporate, Commercial and Banking Law

This group addresses the needs of national and multi-national companies, financial institutions, technology and service companies as well as individuals in a broad range of legally complex matters.

Employment Law Practice

This practice group advises its clients in all areas of employment issues and human resource management.

Health Law Practice

This practice group concentrates on representing medical, dental and veterinary professionals in buying, selling, and merging practices as well as assisting in the creation of business entities and employment issues.

Land Use and Environmental Law

We have helped developers, corporate, commercial, and residential clients secure the required approvals for development, expansion or redevelopment projects.

Litigation

The litigation group represents national and international companies as well as local New Jersey entrepreneurs, businesses and individuals in all types of corporate, commercial and personal disputes.

Local Government Law

We assist local governments, planning boards and zoning boards, and taxpayers in

BEATTIE
PADOVANO^{LLC}

connection with real estate tax appeals.

Tax Law and Estate Planning

This practice group helps our clients successfully navigate the challenging and sensitive matters associated with the multitude of tax laws and estate planning.
